Experience

Master of Computer Applications (MCA)

Teri PG College, Ghazipur, India

2022

CGPA: current 8.0/10.0(current)

Bachelor of Computer Applications (BCA)

Teri PG College, Ghazipur, India

2020

Percentage: 74.67%

Projects

Hear Me — Social Audio Sharing Platform

Live Demo: <https://hear-me-x.netlify.app>

Technologies: React, Node.js, Firebase, HTML, CSS, JavaScript

- Developed a platform allowing users to record, upload, and share audio messages to foster community interaction.
- Integrated Firebase for real-time data storage, user authentication, and audio message handling.

Bolt Gym — Membership & Workout Tracking Platform

Live Demo: <https://gymbolt.netlify.app>

Technologies: React, Tailwind CSS, Node.js, MongoDB

- Built a responsive web app with user dashboards for managing gym memberships and tracking workouts.
- Implemented MongoDB to store and retrieve user profiles, workout history and planed data.

Vetflix — Netflix Clone Streaming Platform

Live Demo: <https://vetflixgg.netlify.app>

Technologies: React, Tailwind CSS, Firebase, HTML, CSS, JavaScript

- Designed and implemented a video streaming platform with authentication and smooth video playback.
- Used Firebase Authentication and Hosting for secure login and fast content delivery.
